Tribute from Mary Trace

Relation: A Very Dear Friend

Jim, Charlie & Diana - Francis are so saddened by Anne's passing. She was my best buddy. We shared so many interesting and fun times at the shooting range, in the photography field, watching her with her horses and our many wonderful visits she had with us in Calgary. Our conversations were long and varied and each drew something special from the other. I am going to miss her so much. Jim, thank you for giving her the best 10 years of her adult life. She loved you dearly and spoke to me many times about the way she was treated by you. I am so glad she found you. If you have a minute can you either phone me (403-276-5837) after 6 our time or email me. Thanks.

Tribute from Kathy Canning

Relation: barrel racing

Jim

You really did give Anne the best years of her life and for that I am grateful - was so great to see you last fall at the glass shop and see the sparkle in Anne's eyes as you were about to leave to the south. I remember Anne's insatiable smile at Barrel Racing events - where her and Montana played hard and smiled everytime she left the arena whether she had a good run or a not so great run- Anne was just happy to be there with friends and horses.
She was a very special individual and she will be missed but her smile and memory will live on.
