

REMEMBERING
Barbara June Thorson

March 5, 1932 - April 6, 2019

Tribute from Juanita Rosene

Relation: Cousins.

I am Barb's cousin, Nita. We never saw each other that much but we felt a commonality and stayed in touch by mail and phone. I thought that Barbara was a special person and a wonderful writer. My condolences to her close family.

Tribute from Cayley

Relation: Niece

Aunt Barb, such a wonderful light in my life. So lucky to have met you, and I know our paths will cross again. Give uncle George and my dad a big huge squish.
