Mark Memorial Funeral Services Staff send our condolences to family and friends.

**Tribute from Mike Demarchi**

Relation: Growing up in Cranbrook

Sorry to hear the sad news. Craig was a good friend through high school, college, and university. A gentle guy with a great sense of humour, he never shied away from hard work and was always willing to lend a hand. And bright. I don't think I would have survived first-year Calculus without his help!

I miss the thought that we might reconnect down the road, as old men recounting some of our many tales of glory during the decade that defined our youth -- the 1980s.

My sincere condolences to Bonnie, Rick, Christine. I'll always remember the lunches I shared with your family -- the laughter, the chaos, and the love that defined the Lockhart family table.

So long Craig; you were a dear friend.

**Tribute from Brian Brons**

Relation: Friend

I am so sad to hear of Craig's passing. We spent many hours talking and sharing laughs while riding in the logging truck going to work early in the morning, I was the loader operator. I pestered him constantly about going back to school and that he was way too smart to be driving a logging truck, most times he would give me his little boy smile and laugh but he finally did it and I was so proud of him. You are missed my friend.

Relation: Childhood Friend

I was stunned to see this, been out of touch with Craig after he left the U of A. Was just thinking what ever happened to him and decided to Google him. Was a dear childhood friend of mine when I lived in Cranbrook . We would reconnect every few years even though I left Cranbrook in 1974. Rest in Peace Buddy.
