Grama's

Gramas are a gift of love,

Sent to us from up above

They are here for us to see

What it's like as family
Their hearts are warm and always share
An undying love that is always there
The hugs they give are oh so kind
And their soft touch always gives peace of mind
We've all had laughs and cried at times
But Grams good ear made it fine
We will miss your smiling face
But never will be forgotten your warm embrace
We all love you Gram!
