

REMEMBERING
David Lee Bjarnason
June 4, 1952 - February 1, 2022

David Lee Bjarnason, 69, beloved brother and uncle passed away quietly at his home in Kimberley, BC. He will be greatly missed by his brothers Rick (Leona) Bjarnason, Edmonton, Ron Bjarnason, Valley Center, California and sister Val (Gerry) Morgan, Regina, SK and his niece and nephews, Kelly Wry, Jeff Morgan, Jared and Brendon Bjarnason.

Dave spent the greater part of his life in Edmonton after leaving home to conquer the world. He was a professional drummer in the explosive, energized 70s, 80s and into the 90s. He toured the world with the like of KD Lang, Amos Garrett and a host of other talented and creative musicians. He was well loved and respected by his peers throughout his long career.

Dave lived to the beat of his own drum! He spent the later years of his life living in the countryside west of Edmonton until he decided to finish his last years in the mountains of Kimberley, BC. His days were spent enjoying his morning coffee, going for long walks, studying the ultra complex ways of the world and shunning the well worn path of mainstream media.

An artistic, eclectic character until the end, he lived his life honestly and humbly.

You will be missed and celebrated dear brother.
