

## REMEMBERING

# Faye Christine Almack

September 14, 1943 - April 27, 2014

It is with deep regret and sadness, that after a lengthy battle with cancer, we must announce the passing of our mother Faye Christine Almack on April 27, 2014.

Mom will be remembered and loved by many. Great memories will be cherished by her sons Norman (Cheryl) of Prince George and Robert (Scott) of Vancouver. Proud Grandma to Shannon and Jared, Great Gramma to Maddie and Kayden and Auntie to Scott. Faye was predeceased by her husband Bill, her parents Mac and Claire and brother Dougie McPherson.

Faye was born on September 14, 1943 and was a lifelong resident of Kimberley. Through Mac and Claire, Faye also had roots in the West Kootenays. She spent many summers in Kaslo and Silverton, which led to an everlasting love of the Kootenay Lake area. Bill and Faye never strayed too far from home but did enjoy day tripping around the area immensely. Faye was quite an accomplished fly tier and fly fisher and spent many hours in the west arm of the Kootenay Lake perfecting her craft.

Many thanks to the angles who staff the Pines. The compassion and the dedication you perform your duties with is no small comfort to the families of the loved ones in your care. Thank you.

There will be no service as per Faye's wishes. In lieu of flowers, donations can be made to the Pines Memorial Society, c/o 372 - 108th Avenue, Kimberley, BC V1A 1C6
