Relation: Friend

June and family. I am so sorry to hear about Gord, he truly was a great guy. Really enjoyed playing music with him, I think that he was only 13 or 14 when we first played together in his Dad's band. He was already a good bass player at that age. He will certainly be missed in the community. My deepest sympathy. Rachelle also sends her heartfelt condolences.

The world has lost a great man. I did not know Gord well but both he and June were the most caring, kind and helpful friends when I really needed them. They were a hardworking team.

We are saddened by Gord's passing, and our thoughts are with June and the rest of the family. Gord was a good friend and a great musical partner. His kind and inclusive nature made him a joy to play with. He had a way of making others around him better, musical partners or otherwise. We miss him.
