Tribute from Mark Memorial Funeral Services

Mark Memorial Funeral Services Staff send our condolences to family and friends.

Tribute from FJ Hurtak

Relation: Friend

So sorry to hear of Bert's passing. When I and my broadcasting partner were broadcasting WIHL hockey games Bert was a frequent guest of ours. His knowledge of hockey was second to none and most importantly he was a class act. He always handled his on air appearances with dignity and fairness despite being a very rabid Nitro's fan to say the least. As my partner Burt Decaire has also passed away now, I'm sure they will have plenty to chat about on the other side. Rest in peace Bert. We will fondly remember you always.

Tribute from Sharron Billey

Relation: We rebuilt Community Futures and Bert was an awesome board member

My memories of Bert will always be of great respect for a wonderful fellow, always a gentleman. He was my rock of Gibraltar as we worked to rebuild the great organization of Community Futures. Bert lived a life of giving. RIP Bert. My deepest condolences to his family and friends both near and far.

Tribute from Ron & Dolores MacKay

Relation: Also a resident of Chapman Camp

Very tardy but we would like to express our sympathies to Bev & family. Bert was a pillar of Chapman Camp.
