Tribute from Shane Farkvam

Relation: Friend

Houston knew how to light up a room with laughter.. One of the funniest I've met... His memory will live on in our hearts and my dearest sympathies go out to all of his family and friends.. I was lucky to have known him.

Tribute from Leslie Laird

Relation: A school friend of my late son

My heart breaks for Houston's family and friends left behind sending loving thoughts to all who will miss him so much. RIP

Tribute from David and Nikki Demers

Relation: Good friend/ son

He was truly one of a kind - smart, funny always looking out for. He never let life get in the way and always looking out for our two kids Malorie and Nick Demers. He has left the earth way too young he will always hold a special place in our hearts and others. He thought of us like his second Dad and Mom.

Tribute from Mavis Laquerre

Relation: Cousin

My heart weeps for all whom are hurting from the loss of Jacob. I know there are no words I can express to ease the pain but I pray you find some solace in happy memories. Rest in peace Jacob.
