Dearest Barbara & Family, we go way back Barb, to Entrance Alberta where I lived in the "little chicken coup" and you were a hop skip an a jump across the dirt road making the best ever boiled coffee over your wood cook stove ;) In first meeting Jazz I immediately fell in love with his spirit, the love he has for you is EVERLASTING. In calling today, I knew it was time to call. Jazz is watching over you and he knows our connection. What put a powerful spirit he is my dear friend, my sister. He loves you unconditionally and he always will. My deepest love to you, Shane, Burt, Josh and EVERYONE! Always know that you are in my heart and prayers. I will be seeing you soon. Luv N peace....Bon
