While I didn't know Jane very well, she was always friendly with a smile and a wave when she saw you.

I was impressed when she worked at Winners, she was one worker that got things done !
May she R.I.P .

Dear Ed. We are thinking of you during this most difficult time. Although we didn't get to know Jane very well as your family moved west, I did get to see her last year when she and Helen stopped in at my work to visit for a short while. Love and prayers Terry and Rosalind

I was so saddened to hear of Jane and her Mom's passing. Jane was a lot of fun to work with at Winners and was a very hard worker. She had a warm and caring heart. My thoughts and prayers are with the family during this difficult time.

Tribute from Angela and Hugh Williams

Relation: Friend

Jane I didn't know you really well in your adult life but did know you when you were a young girl. You would come by and take my boys to the park and give me a much needed brake when I was a single Mom.

The boys always looked forward to spending time with you Thank you for sharing your time so willingly.

Ed sorry for your loss of such a young vibrant lady.

Tribute from Marnie Plant

Relation: School friend

I am saddened to hear about the passing of Jane and her mother.

My sister Heather was school friends with Jane growing up, that was how I got to know Jane.

In recent years I would see Jane around town, she always had a smile & would take a moment to chat. She will be deeply missed. My thoughts are with your family during this time.
