Dear Molly and Pat,

I'm so sorry to learn of your mother's passing within a few days of my father's passing. It's been a tough couple of weeks. You are being thought about as we all grieve for our loved ones at the same time. I take comfort that my aunt Joan has been reunited with her beloved Barney, parents and sister (my mother Bea). May you all feel the love that surrounds and protects you now and always.

Dear Molly and Pat,

Sending our family's deepest condolences. Aunt Joan & Uncle Barney were a big part of the Metcalfe cousins' growing up. Visiting the ranch was a highlight each and every year whether it was during the summer holidays or celebrating Thanksgiving or Hallowe'en together. Our last visits were at their home in Cranbrook and then apartment talking about their travels and your mom always serving us tea and cookies. Aunt Joan was calm, patient, kind and hardworking. It must have added so much more work when we visited but we always felt welcome! Their love of the outdoors and her love of animals was contagious. She/They will be in our hearts always.

Love, Joan (Joanie so we didn't get mixed up)
