Relation: Niece

Condolences to Fred, Helen and Kathy. May you find comfort in the coming days and weeks with all the wonderful memories. Ty for including me at the hospital. Those days I spent with her, I will never forget as they are very special to me. RIP my beautiful Aunty Cake, as my kids and myself called her for the last 30 years. You will be missed immensely as you were honorary Nana to my grandkids. Hugs and Luvs. Sandra, Jeff, Cheryl, Jordan, and David.

Relation: family friend

My sincere condolences to the Canning family. Kaye was a great woman, mother and friend. I have known Kaye all my life, as a neighbour, "rodeo Mum" and mentor .... she was intelligent, an independent thinker and embraced a zest for life on her own terms. Her dry wit and humour, selfless love and caring of others; all characteristics she possessed. Truly an individual! Her passing is an immense loss, not only to her family but to the community. Whether at an event or that unexpected encounter on the street, Kaye would always take the time to ask about my life and at the same time provide thoughtful words and guidance. Only two months ago I enjoyed her company, perspective of life's challenges and her "off" jokes over lunch. It was an afternoon of laughter and love. I am honoured and blessed to have known Kaye Canning for over 60 years; thank you for sharing her with me.

Relation: Dear Family Friend

Sending deepest sympathy to the Canning family. My Mom, Marlene Pelttari treasured her friendship with Kaye over many years and is sorry to have missed her celebration of life. We had a lovely visit this March with Kaye and Lister in Kimberly; Kaye delighted us as always with her sense of humor and jokes. Although Mom and Kaye were not able to visit in person often in recent years - they just picked right up where they left off - lots of laughter and a sharing of good memories. Kaye is an

inspiration to us all and we are blessed to have known her. Please give Lister a special hug from us -
