Tribute from Sharron Billey

Relation: Friend, & colleague

Dear Heather: Thank you so much for phoning me with this sad news. I am so sorry for your loss. Keith was always a joy to visit with and when he did jobs for me like building my deck--it was perfect. He took such pride in a job well done, no matter what the job was. He will be missed by many, many family, friends and colleagues. RIP Keith, your friendship will be a treasured memory.

Tribute from Bob Krysak

Relation: We used to work in the ski industry together.

I worked with Keith many years ago at Skiers Sportshop in Calgary. He was a gentleman, always in a good mood, and had a big smile. He will be missed. My thoughts are with his family and close friends.
