I will certainly miss his infectious smile and his "do you mind some constructive criticism" which I really valued. He was a very interesting and clever man on so many subjects, and I know that all who knew him will miss his quick wit and sense of humor. I am so sorry for your loss Mary Lou, but I'm sure that all of your fondest memories will help you and your family overcome your loss. Kimberley will not be the same without Len. We remember Len walking into the house with the morning mail, having a cup of tea and heading out whilst munching on the plums from our tree. What a hoot! Such a big heart and always interested in what's going on in everyone's life. We will miss you Len!

Tribute from Amanda Dickson

Relation: Childhood Papergirl, neighbour and friend

My heart is utterly heartbroken to read this news. Lenny was my mail man as a child in Champman Camp in Kimberley . He lived near me as well and I delivered the Kootenay Advertiser to him. Then fast forward 26 years and once again we became neighbours he literally lived right across from me and one day I heard his voice in my house I ran out! Sure enough it was him. My boys got to meet him and enjoy the extra treats at Halloween. What an incredible special man and I grew to love his wife as well. They both mean so much to me. May his voice always ring loudly in Heaven. Miss you Lenny. It's truly amazing how such small gestures literally implant on a person's soul... He was so kind and happy. Someone I'll never forget and his voice I will always remember. I am very sorry for your loss
