

REMEMBERING
Lenord Wayne Russell ("Lenny")

November 17, 1960 - July 4, 2020

It is with great sadness that the family of Lenord announces his peaceful passing with his family by his side on July 4th, 2020 at the age of 59. Lenny loved to make people laugh, always telling stories and jokes to make you smile. He loved to fish and spend time cruising around in the bush . . . anything in the outdoors. He was the kind of man who you could count on for help when you needed it and was always there for his family, especially his nieces who he was very protective of.

Lenny will be greatly missed by his twin sister Lorrie Russell, sister Cathy McLean, brother Bob (Lynn) Russell and Danny (Paula) Russell. His nephews and nieces Chris (Kim) McLean, Tania (Don) Abbey, Chad Duchscherer, Jesse (Chelsea) Russell, Michelle (Jay) Duchscherer, Shayna (John) Malimon, Christie (Steve) Warthmann, Riley (Katie) Russell, 12 great nieces and nephews and many great buddies.

A celebration of life will be held at a later date. Condolences may be left for the family at www.markmemorial.com.
