**Tribute from Nicole Johnstone**

Relation: Family

Marianne was such a dear part of my life, I will miss her very much as I am sure will anyone who knew her. Her and my grandpa Mckay have been together for a significant part of my life and I very much considered her my grandma. I was lucky to have her in my life and so happy for all the times we spent together. I wish we could be there to celebrate this amazing woman, but am unable to attend. My condolences go out to the family and especially great love and condolences to my Grandpa.
