Relation: I met Darlene through her Grandson Brett

I am both saddened and grateful as I sit here tonight remembering Darlene. She will be remembered by me as someone who understood what yes and no meant and expected you to know the same. She is such a kind soul who beamed when she talked about her family. Our community as a whole is better off for having Darlene as a part of it. I am thinking of the loss for Ray and the family. Our thoughts and prayers are with you all.

Tribute from Tony Peters

Very sorry to hear about Darlene's passing. I remember her as someone full of life.

Tribute from Cliff and Laurie Wilson

Relation: Darlene was a long time customer of Cliffs Meats.

Darlene supported our business, Cliffs Meats for over 38 years. Darlene epitomized a hardworking rancher. She valued family and a lifestyle that contributed to a close community and she was an integral part of creating that. Darlene may not have realized it but she was an inspiration to see her hard at work doing what she loved long after many folks had pulled up a rocking chair on the deck. She will be missed by so many. Our condolences to her entire family.

Tribute from Anne & Quentin Stevick
