Tribute from Cathy Pretty

Relation: Phyllis was a Special friend to me

Ron and LindaWhat a beautiful pic of your Mom....such a Special lady and Faithful friend.....Our last time together at Joseph Creek was a fun time of her giggling and so much laughter and reminiscing. I cherish our times together. I can still see that twinkle in her eye...thinking of you both and family.....she will be deeply missed...Peace

Tribute from Cydne

Relation: Her neighbour

I lived across the hall from Mrs. Stuckey for a short time (401) and it was a sheer delight to encounter her in the hall. Such a sweet woman with a big smile and easy laugh.

My condolences. May your great memories of her warm you.
