Relation: Friend to the Family

My Condolence to Lynda and the family.

So sorry to hear about his passing and my father Felix will for sure miss him every day.

My fathers days are just not the same now that he has left us.

I too will miss his many stores of trapping and fishing of his younger years.

I also remember him as a "mountain of a Man" as when I first met him, in my early years, he was the tallest man I had every seen in my parents house.

**Tribute from Geri Siemens**

Relation: friend of many years

Henry and I send our very deepest sympathy to Linda and all the Dickson family.
