Relation: old friend

Barb & I are so sorry to hear of Tom's passing. I have known Tom for many years as we both grew up in Lower Blarckmont back in the fifties. We had our last chat with Tom in Oncology. Always liked our conversations about the old days. Our condolences go to Tom's family.

Tribute from Art , Ellen Baglot

Relation: Lonf time friend

Good bye to a dear old friend from high school days and throughout our lives. We will miss the old philosopher' his many stories, his great humor, his kindness, love for people and undying friendship. You could always count on Tom. We think back with a smile on our faces as we remember the card games, the political discussions, the Dynamiters and the free flowing advice among the good old boys of the day. The old town won't be the same. Such wonderful memories of a true dear friend who will be greatly missed and fondly remembered. Condolences to the family who meant so much to him.
