I have no memory of life before Wayne became part of our family, and for this he was more like a brother than an "in-law". I am thankful to have shared memories with him, lots of laughs with his great sense of fun and humor . Even though we have not been in each other's company for a couple of years, I never stopped caring and will always hold a place in my heart for Wayne.

Tribute from David Podmore

Relation: Through creation of Concert Properties and Wayne's participation as a member of our Board of Directors.

Our condolences go out to you Barbara and your family. Wayne will be greatly missed but also left us with good memories of very special times together. Wayne was a wonderful person - kind, thoughtful, generous, and a pleasure to work and socialize with.

I personally greatly appreciated Wayne's important role on the formation of Concert Properties, and for his significant contributions to the governance of Concert Properties through his participation as a Director of Concert's Board in the formative years. I also had the privilege of some fun adventures with Wayne such as fishing trips in the Haida Gwaii.

Wayne had a calm and reassuring style, coupled with a good sense of humour and a desire to assist whenever asked or frequently volunteering without hesitation.

Barbara, you and your family will be in our thoughts and prayers. We wish you all the best at a difficult time and hope to connect when there will be an opportunity to share our respect for Wayne.

I am especially fortunate to have a beautiful carving of a Shoveler Duck created through Wayne's exceptional carving talent - the shoveler sits on my desk and reminds me every day of time shared with Wayne.

Best wishes,

David Podmore
Chair and Co-founder
Concert Properties Ltd.

You are greatly missed Wayne. We often think of you, tinkering away in your yard as we passed your house on our way to the park or just out for a daily walk. No matter the mood, your laughter and your smile always cheered us up.
