Tribute from Robert russell

Relation: Work

Sorry about your loss,Werner was a great man , he trained me at the Sullivan mine and I worked for him with the mechanics in the mine,I have a photo of all of us when we set the best safety record ever in the mine!He always had a good story and we talked a lot about fishing as I grew up in cranbrook and spent a lot of time fishing , so we had some stories of the big one that got away.
