

REMEMBERING
Werner Kreissl

February 14, 1932 - July 24, 2014

It is with deepest regret that we announce the passing of Werner Kreissl of Kimberley, BC February 14, 1932 - July 24, 2014.

Werner was my lover, my friend, and my caring husband and I loved him dearly. We had a happy life and lots of adventures together. My Werner liked fishing a great deal and we went on many memorable camping trips.

He worked as lead-hand Heavy Duty Mechanic Supervisor at Cominco Sullivan Mines for 15 years. He loved his job and formed strong friendships with fellow workers. A very good and fair man, he was respected by many and shall be missed by all.

He will always be remembered dearly by his wife Edith, his stepson Vaughn, his daughter-in-law Sarah and his two grandchildren Arlo and Izen.

He also leaves behind many dear friends and close neighbours whose friendship and support over the past years has meant so very much.

Memorial donations can be made to the Canadian Diabetes Association.

We love you Daddy and we will always think of you and never forget you.
