Tribute from Glenn and Sue Kjeldgaard

Relation: She was our Auntie Yvonne

We were so sorry to hear about Yvonne's passing. She has always had a special place in our hearts. She was kind and generous and we have nothing but fond memories of her. We picture her with that big smile and infectious laugh and will always remember her as a beloved member of our family.

Tribute from Bill Campbell

Relation: I worked with her directly at the Safeway head office in Calgary from 1985 to 1990.

I am very sorry to hear about the passing of Yvonne. I had the great opportunity to work with her for a number of years and she was always friendly, engaging, and interested in helping others she worked with. She always pitched in where she could to make things better. Please accept my condolences to her family and close friends.
